Hwy. 410 extension from Mayfield Rd. westerly to Hwy. 10

Ministry of Transportation Contract 2007-2264

THE CONSTRUCTION

URS Canada Inc. has been awarded the Consultant Assignment by the Ministry of Transportation (MTO) to complete the Contract Administration of the third phase of the Highway 410 extension, from Mayfield Road westerly to Highway 10.

In general terms, this project includes: the construction of a four-lane freeway section from east of Heart Lake Road to Highway 10, a new service road west of Highway 10, new bridges at Heart Lake Road, Kennedy Road and Etobicoke Creek, a new full-movement interchange at Valleywood Boulevard, landscaping at the Valleywood Blvd. interchange and adjacent roadways within the project limits, and construction of noise barrier wall between the new freeway and the Valleywood subdivision.

THE SCHEDULE OF WORK

The Construction Contract has been awarded to B. Gottardo Construction Ltd., who will be conducting construction activities from August 2007 until the late fall/early winter, 2009.

If you have any questions with respect to sequence of construction operations and wish to contact our office for further information, please contact:
